Turbo Tabs™

For Dogs

- Contains Essential Vitamins, Antioxidants, & Minerals
- Supplements a Dog's Daily Diet & Fills Nutritional Gaps
- Helps Maintain Immune System Health
- Ideal for Dogs of All Ages, Breeds, & Sizes

Turbo Tabs™ is a nutritional supplement containing antioxidants and 18 essential vitamins and minerals that your dog needs on a daily basis. This easy-to-digest multivitamin fills any potential nutritional gaps and helps maintain the health of the immune system, eyes, and brain. It supports overall health in dogs of all ages, breeds, and sizes—from active puppies and working dogs to seniors. Plus, dogs love the chicken liver flavor!

Feeding Directions: Administer orally once a day as a chewable tablet or crumble into food. Give 1/2 tablet to dogs under 10 Lb; 1 tablet to dogs 10 to 20 Lb; 1 tablet per 20 Lb to dogs over 20 Lb. Dosage may be increased in active, recovering, sick, pregnant, or nursing dogs for brief periods. Do not increase the dosage beyond double the standard dose by weight. Intended for intermittent or supplemental feeding only. For use in dogs only. Not for use in cats.

Keep out of reach of children.

Storage: Store at controlled room temperature; 15° C – 30° C (59° F – 86° F).

Guaranteed Analysis per chewable tablet (1.7 g): (all quantities are minimum unless otherwise stated)
